NEW TECUMSETH**

**BY-LAW**

**Number 2010-014, AS AMENDED  
“SIGN BY-LAW”**

A by-law to Regulate Signs and Other Advertising Devices

---

**WHEREAS** the *Municipal Act, 2001*, S.O. 2001, c.25, s. 99 provides the council of a local municipality authority to pass by-laws for prohibiting or regulating advertising devices including signs within the municipality;

**AND WHEREAS** the Town of New Tecumseth is comprised of a large thriving rural agricultural community with beautiful scenic vistas and three vibrant urban communities;

**AND WHEREAS** the Council of The Corporation of The Town of New Tecumseth deems it necessary and expedient to regulate the erection, display, maintenance and use of signs and other advertising devices within the Town to maintain the character and beauty of the Town while respecting freedom of expression;

**NOW THEREFORE** the Council of The Corporation of The Town of New Tecumseth enacts as follows:

1. That this by-law shall be cited as the “Sign By-Law”.
2. It is the intent of this by-law to regulate the use and erection of signs and other advertising devices in the Town of New Tecumseth.
3. **DEFINITIONS**
  - 3.1 **“Abandoned Sign”** means an advertising device erected on a lot, building or structure that has become vacant or unoccupied for a period of 30 days or more, or any advertising device that advertises a time, event or purpose that, in the opinion of the Clerk has been completed for more than 30 days.
  - 3.2 **“Alter, Altered or Alteration”** means to change any one or more external dimensions or location of a sign but shall not include replacement of a sign face or panel, painting, repainting, cleaning or normal maintenance and repair of a sign not involving structural change. Notwithstanding the foregoing, a new owner is required to obtain a sign permit in order to replace or change the existing sign face.
  - 3.3 **“Animated Sign”** means any kinetic or illusionary motion of all or any part of a sign and includes the rotation of a sign but does not include a changing copy sign or electronically controlled message centre.

- 3.4 “**Backlit Sign Box**” means a sign consisting of a cabinet containing a light source surrounded by one or more translucent faces which may be illuminated for visibility

- 3.56 “**Zone**” means a zone established in a By-law of the Town, as amended from time to time.

#### 4. ADMINISTRATION

- 4.1 This by-law shall be administered by the Town Clerk.
- 4.2 Except for the signs referred to in Section 9, no person shall erect, display, repair or alter a sign unless a sign permit is obtained therefor.
- 4.3 Where required by the Building Code, signs shall also be required to have a building permit issued.
- 4.4 Every applicant for a sign permit shall complete and submit the following to the Town Clerk.
- 4.4.1 The application, in duplicate, which shall be on forms obtained from the Town;
- 4.4.2 An affidavit sworn by the applicant verifying that all information contained in the application is complete and accurate;

- 4.4.3 Scaled drawings, in duplicate, setting forth the specifications and materials to be used in the construction of the sign structure and the sign. The drawings shall also set forth the colour scheme and any other information that may be requested by the Town to assist in the assessment of the application. All signs shall be designed and constructed in accordance with the applicable provisions of the Building Code. For the purposes of this by-law sign area shall be referred to in square metres and shall be calculated by multiplying the length by the height, and for further clarity a sign having a sign area of 20 square metres (215 square feet) would include a sign 5 metres (16 feet) high and 4 metres (13 feet) wide;
- 4.4.4 Scaled drawings, in duplicate, setting forth all information regarding any building upon which it is proposing to locate the sign and the sign structure as may be necessary to determine whether the structure of such building is capable of carrying the additional loads and stresses imposed thereon by the erection of the proposed sign and sign structure and whether the proposed erection complies with the applicable requirements of the Building Code;
- 4.4.5 A scaled site plan, in duplicate, setting forth the adjacent streets, sidewalks and walkways, property lines, sight triangles, street frontage, adjacent buildings, structures and signs, the location of the proposed sign, and the location of existing or other proposed signs upon the building or property in relation to other buildings, structures, signs and sign structures upon the building or property as well as identification of zoning and adjacent land uses;
- 4.4.6 For the purposes of this section the following size of scale shall apply:
- 4.4.6.1 Plot plans shall be a minimum of 1:200
- 4.4.6.2 Elevation Plans shall be a minimum of 1:100
- 4.4.6.3 Cross section plans shall be a minimum of 1:50
- 4.4.7 The following documents shall also be provided if requested by the Town:
- 4.4.7.1 a plan of survey, in duplicate, certified by an Ontario Land Surveyor;

- 4.4.7.2 if the applicant is not the owner of the property or building on which the sign or sign structure is to be erected, a signed consent by the registered owner of the property authorizing the applicant to apply for a sign permit on behalf of the owner and to erect the proposed sign; and
  - 4.4.7.3 any additional written approvals or permits required by any other governmental authority or public agency having jurisdiction over the subject matter of the application;
  - 4.4.7.4 proof of liability insurance coverage in respect of the sign.
- 4.4.8 Every person shall assist any entry, inspection, examination or inquiry by the Town Clerk in the exercise of a power or performance of duty under this by-law. Further, no person shall neglect or refuse to produce any documents, drawings, specification or information required by the Town Clerk.
- 4.5 For the purpose of determining the size of a sign and the permit fee, metric measure shall be the official unit of measure in this by-law. The approximate imperial equivalents inserted within brackets following the metric numbers are provided as a guide only.

## **5. ISSUANCE OF SIGN PERMITS**

The Town Clerk shall review all applications for sign permits:

- 5.1 When the prescribed fee has been paid in accordance with the Town's Fees and Charges By-law, and the applications, drawings, specifications and site plan or survey conforms to the requirements of this by-law, the Building Code and all applicable regulations, the Town Clerk shall issue the permit together with one (1) set of the approved drawings and specifications to the applicant and retain the other set.
- 5.2 Every permit shall expire if active work is not commenced within a period of 6 months from the date of its issue, but before it has so expired, the permit may be renewed for up to a further 6 months providing that the proposed work continues to comply with provisions of this by-law, the Building Code and all other applicable regulations as revised to the time of the proposed renewal.

- 5.3 If the matters mentioned in any application for a permit, or if the drawings, specifications or plan of survey submitted with the application indicate to the Town Clerk that the work proposed to be done will not comply in all respects with the provisions of this by-law, the Building Code and all other applicable regulations, the Town Clerk shall refuse to issue a permit therefor and no permit shall be issued until the application, drawings and specifications and the plan of survey are made to conform to the requirements of this by-law and the Building Code and all other applicable regulations.

## **6. REVOCATION OF SIGN PERMITS**

- 6.1 The Town Clerk may revoke the sign permit at any time after the issuance thereof where the sign does not conform to this by-law, the Building Code, or any other applicable regulations, or where the permit was issued as a result of false or misleading information. Revocation will be served by delivering written notice by registered mail to the assessed owner or occupant of the property upon which the sign is erected or is proposed to be erected or to the applicant for the permit at the applicant's address as indicated on the permit or permit application. Revocation will take effect at the end of the 7th day from the date of the revocation notice.

## **7. FEES**

- 7.1 Fees to be paid in advance to the Town for the review of plans submitted with applications for sign permits and for inspection of signs shall be in accordance with the Town's applicable Fees and Charges By-law.
- 7.2 Charitable organizations and community associations are exempt from the sign permit fees.
- 7.3 **DELETED – By-law No. 2013-156**
- 7.4 All paid sign permit application fees, are subject to a 50% non-refundable processing fee.
- 7.5 All paid sign variance fees are non-refundable.
- 7.6 Applicants requesting a variance from the Sign By-law may request that Council consider waiving the variance fee.

## **8. REMOVAL OF SIGNS**

- 8.1 Any sign that is unsafe, erected in contravention of any of the provisions of this by-law, no longer in accordance with the Building Code, or no longer in a state of good repair, whether or not a permit therefore has been issued, shall be removed by the owner or occupant of the property on which the sign is erected or is proposed to be erected, upon receipt of an order issued by the Town Clerk. The order shall be served by registered mail to the assessed owner or occupant of the property on which the sign is erected or proposed to be erected or to the applicant for the permit at the applicant's address as indicated on the Municipal Application Form and a copy of the order may be posted on the property. The sign(s) that are subject to the order shall be removed immediately upon receipt of the order.
- 8.2 Such order shall outline the nature of the contravention and the section of the by-law so contravened and shall further direct that the by-law be complied with forthwith upon receipt of the order.
- 8.3 In the event of such sign(s) not being removed in accordance with the order, the Town Clerk may cause the pulling down or removal and disposal of such sign(s) at the expense of the owner or occupant and the expenses therefore may be collected in like manner as municipal taxes.
- 8.4 An unsafe sign may be pulled down or removed and disposed of at the direction of the Town Clerk. Such removal and disposal is to be at the expense of the owner or occupant and the expenses therefore may be collected in like manner as municipal taxes.
- 8.5 Signs removed pursuant to this section shall be stored for a period of 60 days following which they may be disposed of by the Town without further notice.

## **9. SIGNS FOR WHICH A SIGN PERMIT IS NOT REQUIRED**

The following signs are permitted in any zone and may be erected without a sign permit:

- 9.1 Election Signs, erected in compliance with Section 20.4 of this by-law;
- 9.2 Official signs required by law, or as otherwise required by the Town;
- 9.3 Signs for regulating traffic, legal notices or warnings at railway crossings and all other signs pertaining exclusively to public safety;
- 9.4 Memorial or historical interest signs, plaques or tablets, Chamber of Commerce welcome signs and other similar signs;

- 9.5 Public notification signs that are erected by the Town in accordance with statutory requirements for the notification of the public as set out by the *Planning Act* or other Provincial or Federal statute and in accordance with the policies of the Town;
- 9.6 Flags or Banners that are non-advertising or for non-profit organizations, of varying colour or that may bear the crest, name, insignia of a corporation, government agency or religious, charitable or fraternal organization;
- 9.7 Signs advertising Town events and activities;
- 9.8 Open House Directional signs;
- 9.9 Real Estate Signs having a sign face area of less than 1 square metre (11 sq. ft.);
- 9.10 Trail Blazer Signs;
- 9.11 Freedom of Speech Signs.

## 10. PROHIBITED SIGNS

Notwithstanding any other provisions of this by-law, no person shall erect, or cause to be erected or permit any of the following signs on any premises:

- 10.1 A sign which is located so as to obstruct the view of any pedestrian or motor vehicle driver and/or is unsafe;
- 10.2 A sign other than a wall sign within 9 metres (30 feet) of a traffic signal;
- 10.3 A sign which is located so as to obstruct or impede any flue, air intake, fire escape, fire exit, door, window, skylight or exhaust or so as to impede free access by emergency workers to any part of the premises;
- 10.4 A sign which projects over any public area unless located at least 2.8 metres (9 feet) above the surface of such area;
- 10.5 A sign which does not comply with the Building Code;
- 10.6 A sign which does not comply with the provisions of the Electrical Safety Code, the *Occupational Health and Safety Act*, the *Construction Safety Act* and any other applicable government regulations;
- 10.7 A sign which does not comply with the provisions of this by-law;
- 10.8 A sign encroaching onto a required fire route unless approved by the Town's Fire Chief;

- 10.9 A sign which is located on public property unless expressly permitted by this by-law;
- 10.10 A sign which is attached to any public utility pole or which interferes with any municipal or public utility services and/or street light poles;
- 10.11 A sign which is painted on, attached to or supported by a tree;
- 10.12 A roof sign;
- 10.13 A sign which depicts violence, nudity or other sexually explicit conduct;
- 10.14 A flashing or animated sign;
- 10.15 An illuminated sign that directs light off a property;
- 10.16 A wall sign advertising a business other than that being operated in said building;
- 10.17 No advertising device may be displayed upon or from within an unlicensed or inoperable motor vehicle or trailer;
- 10.18 Signs within the urban Downtown Core which inhibit the architectural feature of the building or do not comply with the Urban Design Guidelines;
- 10.19 Back lit sign boxes within the Urban Downtown Core.

## **11. VARIANCES**

- 11.1 Where the provisions of this by-law are proposed not to be met, an application may be made to Council for a variance to the by-law;
- 11.2 Applications for a variance shall clearly set out why the provisions of the by-law cannot be met and why the sign(s) is (are) necessary;
- 11.3 Council may, upon application for a variance from the provisions of this by-law, authorize such minor variances. Minor variances will not be approved where the proposed sign does not comply with the Building Code;
- 11.4 Applications for sign variances shall be subject to the applicable fee as per the Town's Fees and Charges By-law;
- 11.5 Signs requiring a variance may not be erected until such time as the variance request has received Council approval;
- 11.6 Council's decision with regards to a variance applicant shall be final.

**12. EXISTING SIGNS**

This by-law does not apply so as to require a sign that was lawfully erected or displayed on the date this by-law is passed, but that does not comply with the by-law, to be made to comply with the by-law or to be removed by the owner or occupant of the land and premises on which it is situate, as long as the sign is not altered or replaced. This provision will not permit the continued existence of signs that are non-compliant with the Building Code.

**13. BUILDING CODE AND GOVERNMENTAL REGULATIONS**

Any sign which is erected shall at all times comply with this by-law, the Building Code and any applicable governmental regulations. The more restrictive provisions of the requirement shall apply.

**14. LIABILITY**

The provisions of this by-law shall not be construed as relieving or limiting the responsibility or liability of any person who erects or causes or permits to be erected any sign, from personal injury resulting in death or property damage resulting from such sign or from the acts or omissions of such person or his agents, servants, employees, contractors, or subcontractors, in the erection, alteration, repair or removal of any sign erected in accordance with a permit which is issued hereunder. Likewise, the provisions of this by-law shall not be construed as imposing on the Town, Council, its officers, employees, servants and agents, any responsibility or liability whatsoever by reason of the approval or issuance of a permit for any sign or removal of any sign.

**15. INDEMNIFICATION**

The applicant for a sign permit and the owner and occupant of the lands and premises on which any sign is erected, shall be jointly and severally responsible to indemnify the Town, Council, its officers, employees, servants and agents, from all loss, damages, costs, expenses, claims, demands, actions, suits or other proceedings of every nature and kind arising from and in consequence of the erection, alteration, repair or removal of such sign.

**16. MAINTENANCE OF SIGNS**

The owner and/or occupant of the lands and premises upon which any sign is located shall maintain, or cause to be maintained such sign and sign structure in a proper state of repair so that such sign does not become unsafe or unsightly and so that such sign is functioning in a manner as designed at all times.

**17. SEVERABILITY**

If any section, clause, or provision of this by-law, including anything contained in the schedules hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the by-law as a whole or any part thereof other than the section, clause or provision so declared to be invalid and it is hereby declared to be the intention that all remaining sections, clauses and provisions of the by-law shall remain in full force and effect, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

**18. SIGNS ON OR OVER PUBLIC PROPERTY**

Except for signs permitted by Sections 9.2 (Official Signs), 9.3 (Public Safety Signs), 20.2 (Real Estate Signs), 20.3.2 (Community Association, Non-Profit and Charitable Organizations), no sign shall be erected on or be permitted to project over any street sight triangle or public property unless approved by resolution of the Council of New Tecumseth, unless located at least 2.8 metres (9 feet) above the surface of such areas. Applicants of Blade Signs must enter into an Agreement for a Blade Sign with the Town.

**19. RESIDENTIAL ZONES**

- 19.1 Ground signs shall be erected a minimum of 3 metres (10 feet) from the property line;
- 19.2 In all residential zones, illuminated signs shall be designed and erected so that the light from such signs is deflected away from any adjacent residential premises and road allowance;
- 19.3 Ground signs shall have a maximum sign area of 1 square meter (11 square feet);
- 19.4 Ground signs shall have a maximum height of 1.22 metres (4 feet);
- 19.5 Wall signs shall be limited to one per building face;
- 19.6 Sandwich board signs and portable signs are prohibited in residential zones.

**20. SIGN REQUIREMENTS**

20.1 Sign permits shall be required for all signs with the exception of the signs, which are specifically exempted from requiring a sign permit by the provisions of section 9.

**20.2 Real Estate Signs and Directional Open House Signs**

20.2.1 A maximum of one real estate sign shall be permitted for each street frontage of the property on which the sign is erected; provided that one additional sign may be permitted for a lot with a street frontage of at least 100 metres (328 feet) or more;

20.2.2. The sign face of a real estate sign shall not exceed 1 square metre (10.7 square feet) if erected on a property zoned residential and shall not exceed 4 square metres (43 square feet) if erected on a property zoned agricultural, industrial or commercial;

20.2.3 An open house directional sign may be erected on that portion of a street located between the curb or edge of the travelled roadway and the sidewalk, or where no curb exists, such sign may be erected on the untravelled portion of the right-of-way closest to the outer edge of the travelled roadway;

20.2.4 Open house directional signs shall have a maximum sign face area of 0.5 square metres (5 square feet);

20.2.5 Open house directional signs may only be displayed during the hours of the open house and must be removed before sunset;

20.2.6 Open house directional signs may include the address of the property for sale or lease and the date of the open house;

20.2.7 Open house directional signs shall not be affixed to a utility pole, tree, official sign (such as parking signs) or other public property.

**20.3 Community Association, Non-Profit and Charitable Organizations**

20.3.1 In any zone, ground signs, under the control of community associations, non-profit and/or or charitable organizations may be erected on a Town road allowance, subject to the following conditions:

20.3.1.1 no such ground signs shall be located so as to impede or interfere with the safe operation of vehicular or pedestrian traffic as determined by the Director of Public Works;

20.3.1.2 the maximum sign area of such ground signs shall be 1.5 square metres (16 square feet); and

20.3.1.3 such ground signs shall be a minimum of 3 metres (10 feet) from any sidewalk, roadway or driveway.

20.3.2 In any zone, signs may be erected by non-profit, charitable organizations or community associations for the purpose of advertising of events conducted or sponsored by such organizations provided that such signs shall:

20.3.2.1 be removed not later than 7 days after the event or a 60 day display period, whichever comes first;

20.3.2.2 not be erected without the consent of the owner of the property on which the sign is to be located; and

20.3.2.3 not be greater than 4.5 square metres (48 square feet) in sign area.

#### 20.4 **Election Signs**

20.4.1 No person shall erect or display an election sign:

- a) in the case of a federal or provincial election, prior to the writ of election;
